

Anker Radio Charity Registration No. 1180762
Application for Membership

Radio for the George Eliot Hospital

You will be invited to attend for an informal interview, asked to fill in an Occupational Health Screening Questionnaire and a Criminal Records Bureau Disclosure Form (CRB check) and your application will be passed to the Executive Committee for their consideration.

It is a requirement of the George Eliot Hospital NHS Trust that ALL staff, paid and voluntary, undergo health screening and a CRB check before being taken on. This is for your protection as well as that of the patients.

The health-screening questionnaire is returned direct to Occupational Health and CRB form is delivered by hand to Human Resources. All information provided is kept confidential.

You may be asked to visit Occupational Health and attend some simple tests at a mutually agreeable time, depending upon the information you provide.

Regrettably, without health screening and CRB clearance we cannot accept anyone as a member of Anker Radio.
